From

The Inspector General of Forests,

Mysore.

To

The Chief Secretary to the Government of Mysore.

SIR,

I have the honor to state that in order to meet the requirements of people in the vicinity, a temporary depôt was opened 3 years ago at Maddagiri and placed under the management of the Kotwal of the Travellers' Bungalow.- Subsequently it was found necessary to post a separate man for the sole charge of the depôt and for prompt transaction of all business connected therewith and for this, one of the watchers of the Maddagiri forest was deputed to the prejudice of forest work.- The depôt is getting popular and the results of sales carried on there as shewn by the enclosed comparative statement, warrant the necessity of continuing it, though it has not as yet passed the

the stage of experiment for being converted into a permanent establishment.— Under the foregoing circumstances, I beg to recommend for sanction a small establishment to be borne upon working charges for the present, viz a Mutsaddi on Rs 7 and a peon on Rs 3/ per mensem, and if this establishment be sanctioned the watcher who is now doing duty at the Depôt can be sent back to his forest work. ———

I have the honor to be,
Sir,
Your most obedient servant,

Inspector General of Forests.—

OFFICE OF THE INSPECTOR GENERAL OF FORESTS AND PLANTATIONS IN MYSORE,

Enclosures. |

Dated Bangalore 20th July 1892.

From

The Inspector General of Forests,

To Mysore,

The Chief Secretary to the Government of Mysore.

SIR,

In continuation of my letter No. 1014/91 dated 19th July/91, requesting Sanction for the entertainment of a Mutsaddi and a peon for the Maddagiri Depot, I have the honor to forward a Statement Shewing the receipts of the Depot for the official year 1891-92. It will be seen that the receipts are increasing year after year to the credit of the Depot.

The Forest officer and the Deputy Commissioner are of opinion that still better results with the current demand for poles and bamboos in the Casbah itself and in its neighbourhood, may be hoped to be secured by entertaining a Separate Small depot establishment of a Mutsaddi on Rs 7 and a peon on Rs 5, instead of on Rs 3 as originally proposed. This measure will sever the connection of the Executive Forest Staff with the management of the depot as is the case elsewhere and I have therefore authorized the entertainment of the proposed establishment upon

upon working charges pending Sanction of Government.

2. The Selling rate of bamboos may also be tentatively raised from Rs 1-10-0 to Rs 2-8-0 per 100, as make up by license fee plus cost of collection and establishment as detailed in the Margin.

I have the honor to be,
Sir,
Your most obedient Servant.

Inspector General of Forests.

N. B. From the above it is plain that the net increase amounted to Rs 479-7-1 or 480 in round numbers. Since the demand is very brisk & judicials arrangements for systematic working, may not fail to increase the Revenue.

2. I beg to state that as will be seen from the above statement the sales are sufficiently large for this small Depôt to justify the establishment being made permanent, especially as the Deputy Commissioner has been requested not to allow licenses to be granted to fell in an area fairly within reach of the Depôt at Maddagiri. By adopting this method within a reasonable radius, Depôt sales cannot but increase. Under the circumstances the establishment specified in para 1 may be sanctioned as a permanent arrangement.
